“Achievement by Caring”

@CyfarthfaHigh

2nd May 2019

Dear Parent(s) / Guardian(s),

As we begin the final school term of the 2018-2019 academic year, we are now making preparations for our end of year procedures which includes carrying out a series of assessments in all subjects. These will cover all of the work carried out this year by your son / daughter. The results of these assessments will be communicated to you in a detailed report at the end of the year.

These assessments will provide valuable evidence of the progress made during this academic year and will enable teaching staff to reach a final decision for the End of Key Stage level for your son / daughter. It is therefore very important that your son / daughter prepares for these assessments as thoroughly as possible.

The assessments will take place during the week of **20th – 24th May**. Individual subject teachers will confirm the days of the tests to each class as pupils have different subjects each day. It is therefore very important that your son / daughter is present each day over these final weeks and especially during this assessment week. Please encourage your son / daughter to read through their work over the next few weeks in preparation.

Yours faithfully,

Mr A Beddoe
Assistant Headteacher
