

MARTIN EDWARDS

Role: Property
Manager

Final Student Year:
2004

“Don’t be the sheep, be the shepherd”

After leaving school I had many jobs and gained lots of experience and knowledge. I gained further qualifications to help me progress within my career. It has taken a lot of hard work, but it is great to reap the reward of becoming a Property Manager within an Estate Agents.

In my spare time, I’ve been with the RAF Air Cadets as a staff member for 13 years and am the Warrant Officer / Officer in Charge for 415 Merthyr Tydfil Squadron and 415 Brecon Detached Flight.

The role is beneficial as it helps me with my paid job, but it is great to have a hobby to go to which you enjoy after a hard day of work.

My experience at Cyfarthfa High School: “I made many great friends at Cyfarthfa and we always had fun during charity events performing on stage. Getting involved in the school productions was great and I have fond memories of them.”
