

REBECKA BOW

Role: Solicitor

Final Student Year:
1996

“Take each day at a time!”

After leaving Cyfarthfa, I wasn't sure what I wanted to do, but after passing my law A level, I decided to attend university and do a Law degree. After passing my degree I decided to stay in university and complete my Legal Practice Course. Upon passing this, I tried to secure a training contract in a law firm, but knew this was difficult to get. I was very lucky to get a contract straight away in a criminal solicitors firm in Cardiff, where after 2 years of completing my training contract, I qualified as a solicitor at 23. I have now been a solicitor for nearly 20 years and have dealt with so many wonderful people in this time.

My experience at Cyfarthfa High School: “I loved my time in school, in particular the Wizard of Oz production and when we visited Asterix theme park in France. I have made friends for life from my time there.”
